DOP NOTES

Questions to consider: Write (with a partner's help) in English

A. What is a direct object?

B. Why do we use direct objects?

C. How do we use direct objects in English?

Now, follow the Keynote and fill in your notes accordingly.

1. Direct object pronouns answer the questions _____ or _____.

2. In slide two, what word is unnecessarily repeated?

Why is it repeated?

3. What words (also called direct object pronouns) correspond to the following examples of direct objects?

la receta = _____

el pan = _____

los huevos = _____

las frutas = _____

4. Notice that we place the D.O.P. _____ the conjugated verb.

5. Copy the chart from Slide five in the space below:

6. On slide five, the EXPLANATION says "Direct object pronouns are either placed before the conjugated verb or _____ to an infinitive."

7. Write an example of this. Write it 2 ways:

8. So far, we know the following DOPS - lo, la, los, las but we also have these (to talk about people as direct objects)

_____, _____, _____, or _____

9. Write the three examples on Slide nine with DOPS as people.
